

Te Kura Maori o Nga Tapuwae

NAU MAI, HOKI MAI

Tuesday 19th May 2020

Tēnā koutou e ngā Mātua,

It has been a great first couple of days having just over 60% of our students back at school. We know there are a number of whānau who have opted to keep their children home during Alert Level 2 and we support that decision. However, we do ask that parents decide to either send their children to school everyday or keep them home. It is difficult managing classes when some students and whānau are opting in and out. Therefore, please be committed to your decision and be mindful of the programmes teachers are managing.

As previously stated, our lunch ordering system is back up and running. Here are the Market Day Menus for the next six weeks. Students will need to pre-order their food at Ngā Hau Māngere before 8.30am to ensure they receive their lunch on the day.
