OTAHUHU, OTARA & PAPATOETOE BUS SERVICE

Thursday 8th March 2018

Tēnā koutou e ngā mātua,

We have been asked by some parents to look at a possible bus service for Otahuhu, Otara and Papatoetoe. There has been a lot of work done by the school to devise a plan for these three areas beginning at the start of Term 2.

However, we cannot progress without some commitment from whānau. Therefore, we ask that you review the set stops below, the cost per child and then complete the tear-off slip before Wednesday 16th March. Once all forms are in with signed confirmation that you commit to this service for a term and will ensure you are paid up at least 2 weeks in advance we will ratify whether there are enough students to start this bus run.

The cost per week will be:

- ☞ \$20.00 per student
- ☞ \$45.00 for a family of 3
- ☞ \$50.00 for a family of 5

For those that are interested in the Bus service please complete the slip down below and return to the office where Arihia Cassidy will collect them. If you have any queries please email Mā Cassidy via acassidy@ngatapuwaee.school.nz

Ngā manaakitanga,

Arihia Stirling
Principal
