JUNIOR NETBALL Friday 13th March 2020

Tena koutou e nga Matua,

We are looking for parents who are interested in Coaching, Managing, and/or assisting with grading for the Future Ferns Junior Netball programme for children in Years 1-8.

The Future Ferns Netball programme aims to develop children's netball skills and Physical literacy with a progressive introduction to the game that emphasises fun, personal achievement and fundamental skill development. The programme maximises player participation with smaller teams and modified rules, in a safe learning environment that nurtures a lifelong love of netball not only for young players but also for parents who are wanting to learn the game through parent support.

At this stage we are only looking into the possibility of creating netball teams therefore, this will depend on the interest we receive from parents who are willing to help.

If you or any whanau members would like the opportunity to be a part of Netball 2020, please contact Ma Walker on 09 551-6161 or email on TWalker@ngatapuwaee.school.nz

All expressions of interests will need to be in no later than Friday 20th March 2020

If you have any queries please do not hesitate to contact the office on Ph: 551 6161 or via e-mail: info@ngatapuwaee.school.nz
