

Te Kura Maori o Nga Tapuwae

YR 3 – 6 COMMUNITY SWIM PROGRAMME

Monday 10th February 2020

Tena koutou ngā Mātua,

Your child has been invited to participate in the John Walker Find Your Field of Dreams Community swim programme for 2020. This is an 8-week programme that enables children to develop the basic life skills of swimming and water survival skills.

Year 3-6 students will attend eight 30-minute learn to swim lessons that are delivered by qualified swimming instructors from Swimgym swim school and will be transported to and from school in special Community Swim buses.

The swim programme will commence on Thursday 13th February and will continue every Thursday until the 2nd April 2020. It is imperative that all children bring their swim gear and a towel in order to participate. We are very grateful that this has been fully funded by the John Walker You're your Field of Dreams Trust so there will be no cost for your child to participate in this programme.

Please endeavour to have the permission and Health consent form slips returned to the Kura no later than Tuesday 11th of February 2020.

If you require further information, please contact me on 551 – 6161.

Noho ora mai,

Patricia Teariki-Veiao
Year 1 – 4 Ohu Leader
